

# ANTHONY JONSON

---

Tallahassee, FL 32303

anthony.johnson.dev@gmail.com

850-640-5076

Anthony J. Johnson, from Miami, FL. I am humble and always learning but yet I am very confident in what I do, I believe in hard work & Fun, I know it's a little contradicting, but I also believe you have to love what you do and if that statement is true then it's always fun to work hard.

## WORK EXPERIENCE

---

### PM / TA

#### Lambda School

November 2018 to Present

- Managing a group of students.
- Monitoring attendance and progress
- Deliver Guided Projects
- Providing quality code reviews on daily projects
- Grading their weekly Sprint Challenge (a 3 hr test of the material covered in the current sprint)
- Hosting daily stand-ups to address blockers
- Answering questions about the material/reviewing concepts as needed

### UI Front End Developer

#### DEV BY SEPTEMBER, LLC

August 2014 to January 2018

Dev by September, LLC is a passion project of mine that is still in development and I continue to work on it when I have the time.

As a UI/Frontend developer I've been able to work on a number of projects with people around the world, on stacks & work flow I picked up in no time. Below are just a few of the languages

- React.js - 1 years
- Node.js - 1 years
- JavaScript - 2 years
- Restful API - 1 years

and so much more.

---
